National Sun Yat-sen University Institute of Environmental Engineering Announcement

November 13, 2026

Subject: Announcement of the application for the CMC Environmental Ltd. Scholarship for the 115th academic year.

Announcement:

I. Eligibility: Current master's and doctoral students of the institute. In-service students are not eligible.

II. Scholarship Quota and Amount: Two students will be awarded per academic year. Each recipient will receive NT$15,000.

III. Selection Criteria:

1. Applicants must meet at least one of the following criteria during the current or previous academic year:
   (1) Published an academic paper in the field of environmental engineering or science in an SCI journal under the name of the institute and is the first or corresponding author (if the advisor is listed as the first author, the applicant must be the second author).
   (2) Presented an academic paper in the field of environmental engineering or science at a domestic or international academic conference in either oral or poster form.
2. Achieved an academic grade of at least 80 out of 100 in the previous semester and has not received any other scholarship in the same academic year.
3. Priority will be given to publications related to "soil and groundwater."

IV. Application Period: From now until December 4th, 2026 (Fri.).

V. Required Documents for Application:

1. A completed application form.
2. Official transcript of academic and conduct grades from the previous semester (original).
3. Proof of publication in journals, oral presentations, or poster presentations.
4. Other supporting documents for review.
