Regulations Governing Selection of Recipients for CMC Environmental Ltd. Scholarship

Issued by the 3rd Institute of Environmental Engineering General Meeting on February 5th, 2023, School Year 113.
Amended at the 3rd Institute of Environmental Engineering General Meeting on February 4th, 2026, School Year 114.

I. Objective: To encourage outstanding master's and doctoral students to apply for the CMC Environmental Ltd. Scholarship (hereinafter referred to as "the Scholarship"), these guidelines are established.

II. Eligibility: Current master's and doctoral students of the institute. In-service students are not eligible.

III. Scholarship Quota and Amount: Two students will be awarded per **academic year**. Each recipient will receive NT$15,000.

IV. Selection Criteria:
   i. Applicants must meet at least one of the following criteria during the current or previous academic year:
      (i.) Published an academic paper in the field of environmental engineering or science in an SCI journal under the name of the institute and is the first or corresponding author (if the advisor is listed as the first author, the applicant must be the second author).
      (ii.) Presented an academic paper in the field of environmental engineering or science at a domestic or international academic conference in either oral or poster form.
   ii. Achieved an academic grade of at least 80 out of 100 in the previous semester and has not received any other scholarship in the same academic year.
   iii. Priority will be given to publications related to "soil and groundwater."

V. Required Application Documents:
   i. A completed application form.
   ii. Official transcript of academic and conduct grades from the previous semester (original).
   iii. Proof of publication in journals, oral presentations, or poster presentations.
   iv. Other supporting documents for review.

VI. Scholarship Selection Process: The scholarship is awarded **during the first semester of the each academic year**.The selection process is conducted by a review committee consisting of the institute director (chair) and academic committee members.

VII. Obligations of Scholarship Recipients:Recipients are required to assist in teaching and administrative duties within the institute.

VIII. Implementation and Amendment:These guidelines take effect upon approval by the Institute Affairs Meeting. Any amendments follow the same procedure.
