NATIONAL SUN YAT-SEN UNIVERSITY in Taiwan
Faculty Opening at the Institute of Environmental Engineering

The Institute of Environmental Engineering at National Sun Yat-sen University invites applications for **several tenure-track faculty positions** at all ranks.

Candidates should have a Ph.D. degree in a field closely related to **Environmental Engineering and Science** from a university officially recognized by the Ministry of Education, R.O.C., and a strong commitment to excellent teaching and research.

Deadline for the application: **March 20, 2025**.

The NSYSU is one of the first-class research-oriented universities in Taiwan. Successful candidates should possess a strong commitment and demonstrate potential for excellence in research, and establish collaborative research links with colleagues in the Institute. **Documented commitment to excellence in teaching in English at the graduate level is required**. An application should include the following documents:

- **A cover letter** addressing the job title to apply for
- **Curriculum vitae** including the academic and professional backgrounds, major professions, planned courses to offer, research and teaching statements, and academic honors, etc.
- **A copy of the Ph.D. diploma**. Overseas academic degree must be officially recognized by an aboard unit of the Ministry of Foreign Affairs, R.O.C.
- **Copies of the graduate transcripts**
- **A publication list in the recent five years** including Ph.D. dissertation. Note the impact factor and ranking if the article is an SCIE journal and specify if the candidate is the first or corresponding author.
- **A representative publication in the recent five years**
- **Three recommendation letters**
- All materials above should be prepared in order in a pdf file.
- **Application form for the faculty position in the Institute of Environmental Engineering**. Please see the Excel file attached.

All the document materials above should be mailed to the following address.
