

National Sun Yat-sen University
Institute of Environmental Engineering
Application for the Assessment Results of the Preliminary
Exam

Name of student:			Student ID No.:		
Time of admission to the program:		Assessment date:		Date of filling out the form:	
Title:					

- I. A doctoral student of this Institute must publicly report to at least three experts and scholars (including his/her advisor) on his/her research results in detail and progress made with the publication of papers, one year prior to the doctoral oral exam. The report should be presented in written form for review by experts and scholars. Said experts and scholars shall provide the advisor with their assessment results and suggestions in writing for reference purposes. Only after the student's report has been approved can he/she apply for the dissertation rehearsal.
- II. After the assessment, prepare the "Doctoral Research Achievement Report Assessment Results and Suggestion Form" and a copy of the report, and submit them to the teaching and curriculum committee and the director of the Institute for review.
- III. Information on experts and scholars:

Assessor	Name	Affiliation	Position	Assessment result	Review result
Scholar / expert (1)				<input type="checkbox"/> Pass <input type="checkbox"/> Fail	<input type="checkbox"/> Pass <input type="checkbox"/> Fail
Scholar / expert (2)				<input type="checkbox"/> Pass <input type="checkbox"/> Fail	<input type="checkbox"/> Pass <input type="checkbox"/> Fail
Scholar / expert (3)				<input type="checkbox"/> Pass <input type="checkbox"/> Fail	<input type="checkbox"/> Pass <input type="checkbox"/> Fail
Scholar / expert (4)				<input type="checkbox"/> Pass <input type="checkbox"/> Fail	<input type="checkbox"/> Pass <input type="checkbox"/> Fail
Scholar / expert (5)				<input type="checkbox"/> Pass <input type="checkbox"/> Fail	<input type="checkbox"/> Pass <input type="checkbox"/> Fail

IV. Review procedure:

(Prepare the assessment results)

(First review)

(Second review)

(Keep on file)

Advisor: _____ Members of the teaching and curriculum committee: _____ Director of the Institute: _____
